## **Tanknology names David Edens Southeast Operations Manager**

Austin, TX, July 23, 2018 — Tanknology Inc., the world's largest provider of environmental compliance testing and inspection services, announced today that David Edens has been promoted to Operations Manager for the Southeast Region. In this capacity, Edens will oversee the daily execution of Tanknology's core services; including scheduling and dispatching in Mississippi, Alabama, Georgia, Tennessee, South Carolina and North Carolina. Edens will also provide technical and customer support.

Edens came to Tanknology in 2012 as a Service Technician in the Western Plains Region. Since 2015 he has served as the Quality Control Manager for the Northeast Region. Edens is Marine Corp veteran and has a degree in Criminal Justice.

"David is a great addition to the Southeast team," said Allen Porter, Tanknology President and CEO. "His experience in the field and his time as a Quality Control Manager adds intrinsic value – both internally and externally. We couldn't be more excited about this move."

Based in the Tanknology's Suwanee, Georgia office, Edens can be reached at (800) 964-0070 or via email at [dedens@tanknology.com](mailto:dedens@tanknology.com).

## **About Tanknology**

Based in Austin, Texas, Tanknology operates across America and around the world, providing environmental compliance testing and inspection services at more than 50,000 petroleum fueling and storage facilities per year, offering more than 20 compliance-related service offerings. Internationally, Tanknology licensees span more than 30 countries, providing services to the largest petroleum operators in the world.
